[HISTORY: Adopted by the Mayor and Council of the Borough of Swedesboro 10-5-81. Amendments noted where applicable.]

## GENERAL REFERENCES

Sewers and sewage disposal — See Ch. 96.

## § 60-1. Definitions.

The following words, whenever used in this chapter, shall, for the purpose of this chapter, have the following meanings:

**PERSON** — Any individual or group of individuals composing any community of interest, firm, partnership, corporation, political subdivision or authority.

**POTENTIALLY DANGEROUS SUBSTANCE** — Any substance which is, in its production and/or disposal, regulated by any governmental agency for the purpose of protecting the health, safety or welfare of citizens from the actual or potential threat imposed by noncompliant production and/or disposal of such substances, and shall specifically include chemical waste, sewage, septage or any other chemical or biological wastes.

**REGULATED VEHICLE** — Any vehicle duly authorized by the Board of Public Utilities or other regulating agency of the State of New Jersey.

TRANSPORTATION — Movement from one location to another by use of a vehicle or container upon public streets or highways.

**§ 60-2. Unauthorized transport prohibited.**

No person shall transport a potentially dangerous substance through the Borough of Swedesboro, unless transportation is made on a duly regulated vehicle which prominently displays a certificate of approval from an appropriate governmental agency.

**§ 60-3. Disposal restricted; authorized disposal facility.**

- A. No person shall dispose of, dump or place any potentially dangerous substance into any manhole, pipe, sewage line or any other receptacle/field or stream/lot situate within the Borough of Swedesboro.
- B. The only authorized disposal facility for sewage and septage within the County of Gloucester shall be the Gloucester County Utilities Authority or any other agency authorized by law to accept such substances. Other potentially dangerous substances not authorized to be disposed of at the Gloucester County Utilities Authority shall be disposed of only with the agency authorized by law to dispose of such potentially dangerous substances.

**§ 60-4. Violations and penalties.**

Any person who violates any provision of this chapter by transporting a potentially dangerous substance in an unregulated vehicle or who disposes of a potentially dangerous substance in a place other than authorized shall, upon conviction, be subject to a fine not to exceed five hundred dollars (\$500.) or to imprisonment not to exceed ninety (90) days, or both. If any person performs a series of prohibited transactions, each transaction shall be deemed to be a separate violation of this chapter for sentencing purposes.
